Dear M/s. Aegis Services L.L.C.,

Our organization is impressed with the service your company provided us. Your firm rendered valuable services to our organization and has been very supportive for the past few years and we are looking forward in partnering to your company in the years to come.

Audits was very detailed and in-depth that GIC Auditors were able to find all the things that we need to improve on. Whenever there were things to clarify, your team are very responsive and they were always ready to support for certification.

Yours sincerely,
